Project Budget	\$ 0
Project Sponsor	Dr. Tim Maciag, Professor ENSE 374, University of Regina
Project Manager	Roxanne Harrison, Scrum Master, 3rd Year SSE; University of Regina

Additional Key Project Stakeholders

Ria Chevli, Developer, 3rd Year SSE; University of Regina

Shane Toma, Developer, 4th Year SSE; University of Regina

Users, Students, University of Regina

Overall Project Milestones	Dates
Project Activity # 2 - Project Planning	October 23, 2020
Project Activity # 3 - Project Design & Architecture	November 6, 2020
Project Activity # 4 - Project Observe & Analysis	November 16, 2020
Project Activity # 5 - Project Storytelling & Live Demo	December 7, 2020

Overall Project Risks

Scope may be too large for MVP expectations.

Lack of programming knowledge may slow development.

Coding and computer issues may set back progress.
